HOW DRS FITS INTO EUROPE'S SINGLE MARKET

Producers, retailers and the European Commission will introduce DRS in compliance with Article 7 (free movement of goods) of the Packaging and Packaging Waste Directive. Prof. Dr. Remo Klinger will provide a summary of the decision of the Court of Justice of the EU related to DRS and the internal market, as well as some guidance on system design which complies with the single market criteria, thereby minimizing the potential barriers to trade for importers.

- Prof Dr. Remo Klinger, *lawyer and partner at Geulen & Klinger, Germany*

HOW THE SINGLE USE PLASTICS DIRECTIVE (SUPD) IMPACTS BEVERAGE PACKAGING

Published in July 2018, EU's new SUPD imposes a number of obligations on member states and subsequently, the beverage industry. Bettina Lorz will provide a summary of these obligations in context of the Plastics Strategy.

- Bettina Lorz, Senior Expert, DG Environment Commission
